DIY "Instant" Ramen - Preservatives-Free Healthy Gourmet in a Jiffy

Overdone it at Christmas? Let German Pool's brand new Automatic Dough and Noodle Maker help you with that January purge. The Noodle Maker combines a 360° head-kneading technique, a patented downward extrusion mechanism and an automatic fan-dry technology to churn out untangled noodles in minutes. Why not deploy German Pool's Professional High-Speed Food Processor and its 30,000 RPM of power to unleash all the super food goodness of spinach, to spin a high fiber alternative of the Japanese staple? Use the Food Processor to create fish paste, tomato, and abalone puree for a variation of the ramen too. The German Pool Automatic Dough and Noodle Maker and the Professional High-Speed Food Processor are Your Ultimate Choice.
