## Glam Kitchen Essentials

This summer, instead of queuing in front of restaurants in the stifling heat, why not make personalized, savory, and healthy meals in the comfort of your home? Global premium brands of domestic appliances and cookware are coming to town with the latest technology and exciting offers!

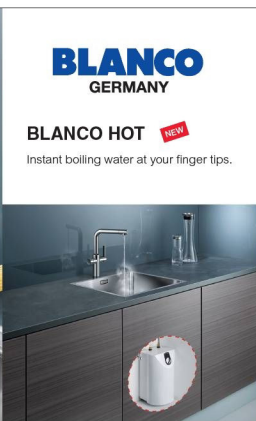

## 1001 Nights of magical cooking

Fissler is holding the most anticipated event of the year - "Fissler Secret Tale - 1001 Nights" in the 21/F Sogo ballroom from now until July 21, 2014. You are cordially invited to uncover the secret formula for a magical cooking experience.

Besides exclusive sales promotion, the event also features eye-opening activities, including pressure cooker demo by Star chef Jacky Yu & chef Sai To from Xiyan, and fun-filled kids session held by Mika Lai from Sugar Cat and Bonnie Yves from FoodGarden. The Ice Cream Gallery, specialized in artisan handcrafted ice cream will tailor-make Fissler flavored ice cream and distribute it on site! (Fissler 2831 8492)

## Fuss-free &amp; User-friendly Steam Oven

Catering to the most discerning and health-conscious consumers, the multipurpose Miele Puresteam DG 6010 employs 100% steam technology for cooking. With the cutting-edge puresteam technology, high-temperature steam will evenly surround the food allowing valuable nutrients to be retained. The three-tiered steam oven with its unique air circulation system allows multiple dishes to be steamed at once without mixing flavors and aromas between sweet and savory foods. The precise electronic temperature regulation from 40°C to 100°C ensures that taste, color and vitamins are preserved. The revolutionary Miele puresteam cooking method not only saves time and encourages healthy eating; it also helps turn any user into a master chef. (Miele 2610 1025)
